## NON-CENTS! Women can be soooo mean!!!

A guy noticed that his buddy was upset and asked what was wrong?

"It's my girlfriend."

"What's the problem?"

"When I asked her if she could learn to love me, she asked me how much I was willing to spend on her education."

A couple was having a discussion about family finances. Finally the husband exploded,

"If it weren't for my money, the house wouldn't be here!"

The wife replied, "Honey, if it weren't for your money, I wouldn't be here."
